**COURSE SCHEDULE**

Grade levels:

\* Courses not recommended for children with food allergies

All classes are held on JWCC's main campus in Quincy unless otherwise noted in the course descriptions.

**PLEASE NOTE:** Many of our JDub Academy classes involve art, experiments, cooking, and outside games and learning activities. Children may get messy so please keep this in mind when deciding what clothing to send them in.

Registration is open online! [jwcc.edu/jdubacademy](http://jwcc.edu/jdubacademy)

**COURSE DESCRIPTIONS**

**All That Jazz**

Instructor: Courtney Johnson  
**Grades 4-6, Cost \$70**  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 17973  
 Spend a week of your summer having fun and dancing! Learn more about musical theater dancing, sassy jazz, and the art of dance. The week will be filled with fun games, dance activities, and creating your own dances! Students should wear comfortable clothing and jazz shoes. At least one year of dance class is recommended. Please bring a water bottle.

**Artists in the Making**

Instructor: Kira Houghton  
**Grades K-3, Cost \$75**  
 Mon-Fri • June 3-7 (10-11:50 am) CRN: 17996  
 Mon-Fri • June 10-14 (8-9:50 am) CRN: 17997  
 Young artists will explore a variety of mediums and create a new project each day including paintings, self-portraits, and using beans to make air-dry clay.

**A Wild Pokémon Appeared!**

Instructor: Leonard Craft  
**Grades 4-6, Cost \$70**  
 Mon-Fri • June 24-28 (8-9:50 am) CRN: 17962  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 17963  
 Have you ever wondered where a Pokémon would live in our world? Using games such as Pokémon Scarlet and Pokémon Legends Arceus, students will catch Pokémon and learn about how their real-life equivalents live and interact with their environment. Different ecosystems will be explored to learn about what makes each Pokémon special. Students will use skills developed in this class to design their own Pokémon.

**Babysitting Basics**

Instructor: Judy Percy  
**Grades 5-8, Cost \$70**  
 Mon-Fri • June 24-28 (8-9:50 am) CRN: 17981  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 17982

Aspiring mother's helpers and babysitters will receive an introduction to primary childcare. This class will focus on ensuring the safety of young infants and children. Babysitters will also learn how to engage children in play with simple activities and how to promote their babysitting business.

**Cooking with Kids**

Instructor: Dr. Margie Williams  
**Grades 4-6, Cost \$80**  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 18006  
 Every day will be a new adventure to try different recipes! We will create kabobs, pizza, food art, 4th of July treats and more. Kids will also harvest daily from a tower garden to use in their creations.

**Creating with Nature**

Instructor: Emma Cunningham  
**Grades K-3, Cost \$80**  
 Mon-Fri • June 24-28 (8-9:50 am) CRN: 18001

Students will explore the world around them by creating art using nature. They will grow flowers, paint rocks, and make suncatchers while enjoying the great outdoors!

**Dealing with Dinosaurs**

Instructor: Emma Cunningham  
**Grades K-3, Cost \$80**  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 18000  
 While dinosaurs once existed in the distant past, we can still learn about them today. Students will learn about fossils, dinosaurs, and volcanos through a variety of crafts, science experiments, and games to get them up and moving through the past.

**SCHOLARSHIPS ARE AVAILABLE!**

Scholarships for JDub Academy are made possible through generous community support to the JWCC Foundation. They are distributed using federal poverty guidelines. Please see: [jwcc.edu/jdubacademy](http://jwcc.edu/jdubacademy) for details.

### Experimentation Nation

Instructor: Emma Cunningham

**Grades K-3, Cost \$85**

Mon-Fri • June 10-14 (8-9:50 am) CRN: 18004

**Grades 4-6, Cost \$85**

Mon-Fri • June 10-14 (10-11:50 am) CRN: 18005

Get ready to get messy!

Students will use household items to learn about science while creating giant bubbles, elephant toothpaste, invisible ink, homemade bouncy balls, and more!

### Exploring Plants and Critters

Instructor: Four Winds Farm

**Grades K-3, Cost \$80**

Mon-Fri • June 10-14 (8-9:50 am) CRN: 18018

Mon-Fri • June 24-28 (8-9:50 am) CRN: 18019

Travel to Four Winds Farm to explore the children's garden and create some plant and herb-related art projects. Students will prepare some yummy beverages and snacks. They will plant seeds, learn to care for plants and how to harvest them. Transportation is provided to and from Four Winds Farm. The bus leaves JWCC at 8 am, returning at 9:50 am. This class is made possible through a partnership with Four Winds Farm.

### Exploring Plants and Pollinators

Instructor: Four Winds Farm

**Grades 4-6, Cost \$90**

Mon-Fri • June 10-14 (8-9:50 am) CRN: 18020

Mon-Fri • June 24-28 (8-9:50 am) CRN: 18021

Travel to Four Winds Farm and learn about the importance of bees, butterflies, and hummingbirds. Investigate and plant a variety of flowers and herbs. Prepare lavender

lemonade and herbal tea, and nibble berries. Make seed bombs and other take home projects. Transportation is provided to and from Four Winds Farm. The bus leaves JWCC at 8 am, returning at 9:50 am. This class is made possible through a partnership with Four Winds Farm.

### Fairy Ballerina

Instructor: Courtney Johnson

**Grades K-3, Cost \$70**

Mon-Fri • June 24-28 (8-9:50 am) CRN: 17974

Learn how to dance like a fairy ballerina! Students will learn the basics of ballet while dancing to fun music. We will play fun games, create crafts, and learn a fairy dance. No prior experience needed! Wear comfortable clothes and shoes to dance in (dance shoes, socks, or tennis shoes are fine). Please bring a water bottle. It will be loads of magical fun!

### Follow the Paw Prints and Be a Veterinary Assistant

Instructor: Four Paws Veterinary Clinic

**Grades 6-8, Cost \$35**

Mon-Fri • June 24-28 (10-11:50 am) CRN: 17964

Do you want to be a veterinarian or vet assistant someday? Participate in the real-world activities of a busy vet clinic. Observe what happens in the day-to-day tasks of a vet office

as the staff works to keep pets healthy. Students will make a pet craft and learn how to make homemade pet treats! Transportation is provided to and from Four Paws Veterinary Clinic. The bus leaves JWCC at 10 am, returning at 11:50 am. This class is made possible through a partnership with Four Paws Veterinary Clinic.

### Fun & Functional Pottery

Instructor: Rebecca Butler

**Grades 4-6, Cost \$80**

Mon-Fri • June 3-7 (8-9:50 am) CRN: 17986

**Grades 7-12, Cost \$80**

Mon-Fri • June 3-7 (10-11:50 am) CRN: 17987

Use wet clay to create food-safe, functional pottery! We will also use our imaginations to create sculptural art. This class is made possible through a partnership with The Budding Artist.

### Heartsaver® First Aid, CPR & AED

Instructor: Sarah Straza

**Grades 7-12, Cost: \$95**

Fri • June 14 (8 am-12 pm) CRN: 18007

Students will learn the basics of First Aid and how to administer high-quality CPR. Students will

earn their First Aid and CPR certifications by completing this class.

### Horsing Around!

Instructor: QUEST Stables

**Grades 4-6 • Cost: \$130**

Mon-Fri • June 10-14 (8-9:50 am) CRN 17984

**Grades 7-8 • Cost: \$130**

Mon-Fri • June 10-14 (10-11:50 am) CRN 17985

Love horses? Learn to care for and be safe around a horse. We will make horse crafts and treats, practice horse chores, grooming, etc. You will even ride and bathe a horse! Transportation is provided to and from QUEST Stables. The first bus leaves JWCC at 8:00 am, returning at 9:50 am, and the second leaves at 10:00 am, returning at 11:50 am. This class is made possible through a partnership with QUEST Stables.

*\*There is an additional liability form required for this class. Students are asked to wear appropriate clothing, including long pants and hard-soled shoes with heels if possible. No flip-flops or sandals.*

## GET IN THE GAME-ING

### Creating ROBLOX® Games

Instructor: Michael Wells

**Grades 3-5 • Cost: \$130**

Mon-Thurs • June 3-6 (12:30-3:30 pm)

CRN: 17988

**Grades 6-9 • Cost: \$130**

Mon-Thurs • June 10-13 (12:30-3:30 pm)

CRN: 17989

Mon-Thurs • June 24-27 (12:30-3:30 pm)

CRN: 17991

Join us as we learn to create and code our very first ROBLOX® games! Learn to build an obstacle course, create interactive objects, and take our first steps into Lua script coding.

*This class does not require any previous ROBLOX® experience.*

### Introduction to Game Design with Construct 3

Instructor: Michael Wells

**Grades 6-9 • Cost: \$130**

Mon-Thurs • July 8-11 (12:30-3:30 pm)

CRN: 17992

Mon-Thurs • July 15-18 (12:30-3:30 pm)

CRN: 17993

Join us as we work to create our very first 2D video games. Construct 3 is a powerful game making software with over 250,000 monthly users used by EA, Sega, and Zynga, among other developers. This course is an introduction to Game Making programs with minimal coding required.

### JDub Extreme

Instructors: Ronald Kraft, Stan Barnhart, Rick Gertz, and Chris Koetters

**Grades 9-12, Cost \$25**

Mon-Fri • June 24-28 (8 am-12 pm) CRN: 18008

This class will introduce students to a sampling of welding, electricity, industrial maintenance, and truck driver training. Students will learn to run a plasma cutter as they cut, design, paint, and wire their own jack-o'-lantern out of a helium tank. On the final day of class, students will take a tour of a local manufacturing company to learn more about potential career opportunities. Each student will receive a JWCC t-shirt and pair of work gloves. This class is made possible through the Trade School Grant.

*Students are asked to wear appropriate clothing, including long pants, long-sleeved shirt, and leather shoes or boots. \*Class is located at the Workforce Development Center, 2710 North 42nd Street, Quincy.*

### Kids Knit

Instructor: Rachel Peterson

**Grades 4-6, Cost \$80**

Mon-Fri • June 10-14 (8-9:50 am) CRN: 18009

Mon-Fri • June 24-28 (8-9:50 am) CRN: 18010

This 1-week class will teach students the very basics of knitting: how to cast on, knit and purl stitch, and binding off while making a project.

### Make 'n Take

Instructor: Jennifer Seckman

**Grades 4-6, Cost \$80**

Mon-Fri • June 3-7 (8-9:50 am) CRN: 18011

**Grades K-3, Cost \$80**

Mon-Fri • June 3-7 (10-11:50 am) CRN: 18013

**Grades 4-6, Cost \$80**

Mon-Fri • June 24-28 (10-11:50 am) CRN: 18014

We will create a new project each day. Students will use their imagination and creativity to build paper spinners, suncatchers, decorative bowls, and more!

### Mini Blazer Cheerleading

Instructor: JWCC Cheer Team

**Grades K-3, Cost \$ 70**

Mon-Fri • June 3-7 (10-11:50 am) CRN: 17961

Are you ready to cheer and stunt with the JWCC Cheer Team? Sign up to learn cheers, chants, dances, and get a routine ready to share with your family and friends! This class is made possible through a partnership with the JWCC Cheerleading Team.

### Native Lodges & Ways

Instructor: Standing Bear Council

**Grades 4-8, Cost: \$70**

Mon-Fri, June 3-7 (10-11:50 am) CRN: 17976

Mon-Fri, June 24-28 (10-11:50 am) CRN: 17977

A 22 ft. diameter Indian tipi will serve as our classroom for the week. Students will learn about the daily life of Native Americans, sacred plants, and spiritual practices, including making a medicine bag and a session on the importance of drumming, dancing, and singing. Students will get to participate in a drumming session! On the last day, we will discuss Native experiences with the Indian boarding schools and make Indian fry bread. This class is made possible through a partnership with Standing Bear Council.

Register today before your class fills up! [jwcc.edu/jdubacademy](http://jwcc.edu/jdubacademy)

**PLEASE NOTE:** Many of our JDub Academy classes involve art, experiments, cooking, and outside games and learning activities. Children may get messy so please keep this in mind when deciding what clothing to send them in.

**Paint Like the Greats**

Instructor: Kira Houghton  
**Grades 4-6, Cost \$75**  
 Mon-Fri • June 3-7 (8-9:50 am) CRN: 17994  
 Mon-Fri • June 10-14 (10-11:50 am) CRN: 17995

Explore history while getting creative. Students will learn about and try a variety of mediums and techniques used by famous artists including Van Gogh and Monet. Students will learn about a different famous artist and create a new project each day.

**Roots and Shoots**

Instructor: Bethany Beeler  
**Grades 4-6, Cost \$70**  
 Mon-Fri • June 3-7 (8-11:50 AM) CRN: 17983

Welcome to an exciting journey where students will dive into the roots of nature and agriculture! Students will embark on explorations of our local pond and creek habitats, discovering the rich diversity of organisms and wildlife that thrive within aquatic ecosystems. Shoot into the basics of archery, including safety protocols, proper stance, and shot sequence. Students will embark on a journey of discovery, uncovering the wonders of crops, soil, and the fascinating world of livestock animals. This class is held at the JWCC Agricultural Science Complex in Baylis, and transportation will be provided. The bus leaves JWCC at 8:00 am and returns at 11:50 am. This class is made possible through a partnership with Illinois Extension.

**Superhero Creation**

Instructor: Sherry Law  
**Grades K-3, Cost \$75**  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 17975

Find the Superhero in YOU! Learn about and meet real-life superheroes in our community. Learn how we can each be a hero through our actions! Students will make their own cape, mask, and more!

**Taking Flight**

Instructor: Emma Cunningham  
**Grades K-3, Cost \$80**  
 Mon-Fri • June 3-7 (8-9:50 am) CRN: 18002  
**Grades 4-6, Cost \$80**

Mon-Fri • June 3-7 (10-11:50 am) CRN: 18003  
 Students will learn how rockets, airplanes, and animals fly when they make their own rockets and paper airplanes and participate in a variety of flight-based experiments.

**T-Shirt Design and Printing**

Instructor: Devron Sterneke  
**Grades 4-6, Cost \$80**  
 Mon-Fri • June 3-7 (8-9:50 am) CRN: 17965  
 Mon-Fri • June 24-28 (8-9:50 am) CRN: 17967

**Grades 7-12, Cost \$80**  
 Mon-Fri • June 3-7 (10-11:50 am) CRN: 17966  
 Mon-Fri • June 24-28 (10-11:50 am) CRN: 17968

Learn how to design T-shirts with Adobe Illustrator and print them with direct to film heat transfers! In this course you will create and print your own T-shirt that you can wear, share, or sell. This course is for students who love art, fashion, and creativity. No prior experience is required, just your imagination and enthusiasm!

**Tumbling, Cheer, and More!**

Instructor: Gem City Gymnastics  
**Grades 4-6, Cost \$70**  
 Mon-Fri • June 3-7 (10-11:50 am) CRN: 17998  
 Mon-Fri • June 10-14 (10-11:50 am) CRN: 17999

We will start with learning the basics of tumbling, then progress into learning the beginnings of the back handspring. We will also cover cheerleading jumps and stunts. This class is made possible through a partnership with the Gem City Gymnastics and Tumbling.

Do you want to have fun and make a mess while learning? Young scientists will engage in hands-on experiments including volcano eruptions, food coloring flowers, invisible ink, and bath bombs.

**Young Scientists**

Instructor: Jennifer Seckman  
**Grades 4-6, Cost \$80**  
 Mon-Fri • June 10-14 (8-9:50 am) CRN: 18015  
**Grades K-3, Cost \$80**

Mon-Fri • June 10-14 (10-11:50 am) CRN: 18016  
**Grades K-3, Cost \$80**  
 Mon-Fri • June 24-28 (8-9:50 am) CRN: 18017

# INFORMATION FOR JDUB 2024

**Drop Off/Pick Up:** All classes that meet on the main campus will have students enter and exit through the Paul Heath Community Education and Fine Arts Center entrance. Students will be grouped by class in the lobby, and their instructor will walk with them to their classroom. We ask that a parent/guardian walk their child inside to meet with their class on the first day of each class. After that, parents can drop off/pick up outside the Paul Heath Community Education and Fine Arts Center entrance if they choose. A campus police officer will be on duty during regular drop-off/pick-up times. Children should arrive no earlier than 10 minutes before class and be picked up no later than 10 minutes after class. The beginning and end times of classes are listed on each course schedule.

**Field Trips:** Some classes will take a field trips or buses to an off-site location. This will be included in the original course description, or a note will be sent home with your child. Please know that buses will leave on time and will not wait for late arrivals.

**Registration:** Registration must occur by the Wednesday before the class session starts. Please understand that many registrations are submitted and are first come, first served. We try to process registrations promptly and will do our best to reach out to you by the end of the following business day to request payment since we cannot take payments online. We will reach out for payment up to three times and will leave a message when possible. However, we can only hold a spot for your child if payment has been made. Your child is fully registered for class(es) after we have received payment and any required liability forms have been submitted. We will confirm your child's registration and send a copy of their course schedule through email.

**Register today before your class fills up! [jwcc.edu/jdubacademy](http://jwcc.edu/jdubacademy)**

## SCHOLARSHIPS ARE AVAILABLE!

Scholarships for JDub Academy are made possible through generous community support to the JWCC Foundation. They are distributed using federal poverty guidelines. Visit our website for details!

[jwcc.edu/jdubacademy](http://jwcc.edu/jdubacademy)

**Space is reserved on a first-come, first-served basis.**

Registration must occur by the Wednesday before the class session start date. Payment and liability waiver must be accompanied by registration to be considered complete.

**REFUND POLICY:** Provided only if requested by the Wednesday prior to class session start.

What do you want to be
