

Dear Parents of JWCC Student-Athletes:

We are extremely pleased to have your son/daughter as a student-athlete at John Wood Community College and hope that they achieve academic and athletic success.

Our Athletic Trainer and coaches will be responsible for the physical care of your son/daughter while participating in intercollegiate athletics at John Wood. **Please read the following information carefully and complete the enclosed forms and return to the John Wood Community College Athletic Department as soon as possible.** The forms will allow us to have the proper health information on all of our student-athletes.

Physical Examination Form...(Yellow form) Each student-athlete is required to have a physical examination prior to each year of participation in practice or games. You may arrange to have your family doctor give your son/daughter a physical at your expense or you may attend our Physical Day (*Wednesday, August 20th at Quincy Medical Group Sports & Rehabilitation Center starting at 6:00pm*) after classes begin that will cost each athlete \$10.00. **No student-athlete will be allowed to participate in practice or games until a physical examination form is on file in the athletic office.**

Medical History Form...(Blue form) The student-athlete completes this form each year before participating in intercollegiate athletics. This form keeps the athletic trainer and our coaches informed of any health concerns that might have occurred in the past or in the last year.

Parent Information/Insurance Form...(Pink form) John Wood student-athletes are asked to demonstrate proof of insurance coverage. The College does not provide for medical expenses incurred as a result of participation in intercollegiate athletics. In the case of an injury, this form must accompany any athletic injury claims that are submitted so please complete carefully and sign at the bottom. Also, we need this information to be accurate in order to properly handle any emergency situation.

Athletic Accident Agreement...(Green form) This form is to notify and confirm that John Wood Community College does not carry insurance for the student-athlete participating in intercollegiate athletics. A copy of this form must be on file in the Athletic Office for all athletes participating in practice and/or games.

Quincy Medical Group Authorization To Use Or Disclose Health Information...(White form) This form is to authorize Quincy Medical Group to use and/or disclose health information on our student athletes.

Thank you very much for your cooperation in completing and returning the enclosed forms. We are really looking forward to having you as part of our Trail Blazer family. Please contact Michael Elbe, Director of Student Life & Athletics @ 217-641-4975 if you have any questions or concerns.
