

John Wood Community College

2009-2010 Special Circumstance

A family's 2008 total income is used in determining eligibility for student financial aid in the 2009-2010 academic year. However, there are circumstances that drastically alter a family's financial picture and hinder a family's ability to assist in educational expenses. In such cases, the 2009 income may be utilized to assess financial need. Results from the 2009-2010 Free Application for Federal Student Aid (FAFSA) must be on file with the John Wood Community College Financial Aid Office before a Special Circumstance request is considered.
