

Connect To Your Network X-Drive

Every student enrolled in classes at JWCC has a network storage area set up for their use. It is designated by the letter “X” and is referred to on campus as your “X-Drive”.

To connect to your X-drive, follow the steps below.

1. Using Finder, click GO and then click Connect to Server as shown in Figure 1 below.

Figure 1

2. Type the following URL in the Server Address text box. Substitute the username you type to access computers at JWCC for “yourname”. See Figure 2 on the next page.

<https://exchange1.jwcc.edu/studenthome/yourname>

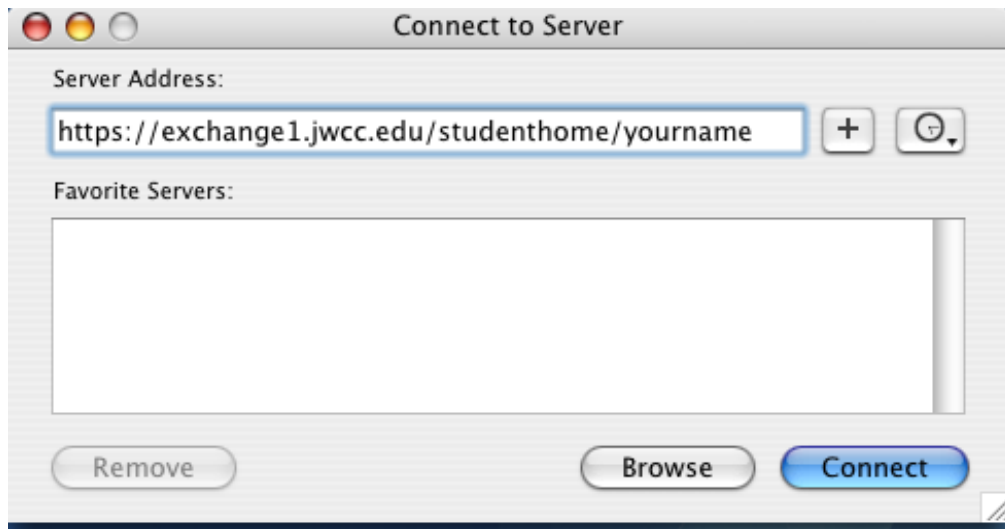

Figure 2

3. Type your user name and password in the Name and Password boxes as shown in Figure 3 below.

Figure 3

4. Click OK. An icon for your desktop with your username will display on the desktop. See Figure 4 below.

Figure 4

5. Use Finder or double-click the icon to open the X-drive and view the contents. See Figure 4.
