

- Go to www.jwcc.edu, and log on to BLAZER.NET.
- Click on CANVAS.
- Select the name of your math course.
- Read the content on the HOME PAGE and in the MODULES.

AFTER YOU HAVE ACCESSED ALEKS, you will:

- **TAKE YOUR INITIAL KNOWLEDGE CHECK (This MUST be COMPLETED the FIRST WEEK of CLASS.)**
- In ALEKS, click on the MENU (upper left hand) and then select INSTRUCTOR RESOURCES.
 - Read and PRINT the SYLLABUS.
 - Print off a GRADE SHEET.
 - Watch the instructional VIDEOS.

Look at your CURRENT schedule and find the **class number**, course title, and **instructor name**. Look at the list below and circle your correct course code. You will need this when creating and/or renewing your ALEKS account.

After you have purchased your ALEKS packet at the JWCC bookstore, please read the following 3 choices and select the one that describes your status.

1. **I have never taken an ALEKS course, (or it has been more than a semester since my last class and I need a new login.) I need a *NEW ACCOUNT on ALEKS.***

Use the How to Create a New ALEKS Account Instruction Sheet.

2. **I am continuing work from a DIFFERENT SEMESTER in the SAME ALEKS course. I am *Continuing work in the SAME ALEKS course* (that you had been working on in a previous semester.)**

Use the HOW TO CONTINUE WORK IN the SAME ALEKS course Instruction Sheet.

3. **I have an ALEKS account and am STARTING a NEW ALEKS COURSE. (I have my previously used login/password.) I am *Starting a NEW COURSE* (where no previous work has been completed,) and wish to retain my previous login/password.**

Use the HOW TO START A NEW COURSE and I HAVE AN ALEKS ACCOUNT Instruction Sheet.

If after you have read the course syllabus and other provided information, and you still have questions, then please email your instructor.
