Adams County RSVP would like to Thank Thrivent Financial for Lutherans for their generous fundraising match of $500 to help support volunteerism in our community!
October 23, 2013

Good Afternoon RSVP Members, Supporters and Friends,

It is my pleasure to welcome you to the John Wood Community College Campus to help us celebrate the 40th anniversary of Adams County RSVP and to recognize the selfless efforts of our volunteers. RSVP started in Adams County in 1973. For 39 of RSVP’s 40 years John Wood Community College has served as the sponsor of our program. We are very appreciative of all that is available to us through our partnership with the College and pleased to promote the college in our community through our service. We hope you enjoy your time on this beautiful campus.

The highlight of the afternoon will be the special recognition to those volunteers who have reached milestones in years of service with RSVP. Special awards will be presented to volunteers that have served for five, ten, fifteen, twenty, twenty-five years and thirty years. We are also inducting six volunteers into our RSVP Hall of Fame today.

As you read through the program booklet, please take special note of the businesses and agencies which have placed ads with us. The money from these ads helps to pay for the banquet, so please express your appreciation when you visit them.

I would like to personally thank our partner agencies, friends, and most of all our volunteers for your help in supporting volunteerism and making RSVP such a viable and valuable resource for our community.

Thank you,

Julie Bates

This year the “SOS” award is presented to Sharon Wharton. Sharon is a long time RSVP Advisory Council member and volunteer who has been very supportive of our program. For the last two years Sharon has spent numerous hours promoting our program. She has been a fixture at RSVP booths at fairs and events. She has also taken on a lead role with our annual advertising fundraiser. She spent many afternoons calling on businesses to sell ads for our program book. We are grateful for all of her hard work and everything she has done to promote RSVP and to educate the community about our program.

CELEBRATING 40 YEARS
LEAD WITH EXPERIENCE
2013 RSVP HALL OF FAME

Members of the Adams County RSVP Hall of Fame are chosen because they have given at least twenty years and 2,000 hours of service to the community through RSVP or have made a unique contribution to RSVP.

RSVP volunteers will be considered for inclusion into the Hall of Fame when they have reached both of the milestones listed above and are no longer able to volunteer because of poor health or death. Members of the hall of Fame still living will remain on RSVP’s mailing list to receive all correspondence and will continue to be invited to the annual recognition as our guests.
