

Understanding Your JWCC Course Schedule

JWCC is open and maximizing face-to-face instruction while adhering to social distancing guidelines to assure student success in a safe learning environment.

JWCC is offering flexible and safe learning options:

- **In-Person:** Face-to-Face instruction
- **Hybrid:** In-Person instruction one day a week combined with virtual instruction

- **Flexible:** Some In-Person classes with virtual instruction
- **Online:** All instruction online

Your course schedule will reflect these changes to our delivery options. Please see below for explanations.

"V" = part in-person/part online. In this example, your "lecture" is online (INTRNT) and lab is in person on the day and time listed. You would only see this if you have a class with a lab.
