## >> CAREER & TECHNICAL PROGRAM <<

# Certified Production Technician

It's where the high-paying jobs are if you have the right skills, training and education. In the next two years, hundreds of positions in JWCC's district will need to be filled by individuals with new technical skills in the manufacturing industry.

### Like?

Technology

Hands-on Work

Problem Solving & Math

### Learn to

Operate automated machinery to improve efficiency

Review processes to improve safety

Improve how products are made, improve efficiency

### Average Annual Earnings

\$44,110 (\$21.21/hr)

Source: Bureau of Labor Statistics

### Potential Careers

Machine Operator, Machinist
