

Fall 2020 (202103) Persistence Report (formerly known as Retention Report)**January 16, 2021**

The Persistence Report (formerly known as the Retention Report) contains information about students that were enrolled in the Spring 2020 (202006) term at JWCC and tracks them into the Fall 2020 (202103) term. The report contains information about those students that the College retained, completed a degree or certificate, transferred to another institution, or stopped/dropped out.

The data below are based on two different groups. In the first set of numbers, the base includes all degree/certificate-seeking, college-level students (adult ed and high school students are excluded). The second set of numbers is based on the same group as above, but students who either completed their degree/certificate or transferred are excluded. It is important to note that the first set of numbers are duplicated (i.e., if a student completed their degree and transferred to another institution, the student will be counted in both categories).

- Spring 2020 Unduplicated Headcount: 1,436¹
 - Completed a degree or certificate in Spring 2020 or Summer 2020: 335 (23%)

¹This headcount does not include students enrolled in adult education credit courses, non-degree/certificate-seeking students, or high school students.

²This headcount does not include students enrolled in adult education credit courses, non-degree/certificate-seeking students, or high school students. Students who completed their degree/certificate in the spring or transferred to another institution in the fall are also excluded as they have already fulfilled their objective.
