

Institutional Goals 2021-22 Report

Communication

2.754

Create Accurate Written Communication

2.73

Student uses correct spelling and grammar

2.734

Student uses vocabulary and terminology appropriately

2.727

Delivery Effective Verbal Communication

2.86

Student's delivery is effective: volume, pronunciation

2.802

Student's tone of presentation is appropriate

2.915

Listen Actively to Promote Understanding

Student builds a relationship between speaker and receiver

Student's productive dialogue results in a back and forth

Organize Ideas for Effective Communication

2.74

Student uses logical structure

2.732

Student's thesis idea is supported

2.746

Use Visual Elements in Effective Communications

2.63

Student's visual information is clear and connects with audience

2.652

Student's visual information is relevant

2.625

Critical Reasoning

2.454

Analyze Problems

2.42

Find solutions to problems using quantitative skills

2.474

Infer conclusions using data and evidence from a variety of sources

2.449

Use deductive reasoning to find logical solutions

2.349

Conceptualize Ideas

2.45

Develop a knowledge base through observation or study	2.427
Formulate a question that guides their research or problem solving	2.496
Evaluate Results	2.72
Continuous improvement	2.75
Critically examine results	2.704
Test Solutions	2.54
Perform experiments to test a hypothesis	2.503
Test a solution	2.833
Diversity, Equity, and Inclusion	2.367
Apply Core Values in Decision Making	2.75
Student demonstrates reflection	2.681
Student interacts respectfully and appropriately	2.857
Articulate the Value of Diversity and Inclusion in Society	2.39
Student describes various elements inherent	2.392
Evaluate the Interdependencies and Conflicts of Diverse Com	2.25
Student describes how historical cultural conflicts	2.253
Recognize the Diversity and Unity of Humanity	2.37
Student describes common elements shared by all cultures	2.267
Student describes the differences	2.492
Essential Skills	2.611
Accountability	2.58
Student maintains composure, even in difficult situations	2.687
Student takes initiative and follows through with application of learned content and skills	2.481

Student takes responsibility for their academic progress and completes all projects on time	2.650
Integrity	2.97
Student consistently abides by JWCC code of conduct	2.971
Student demonstrates behaviors consistent with ethical reasoning and understanding	
Teamwork	2.88
Student frequently asks questions and seeks clarifications	2.882
Information Literacy	2.674
Ethically and Accurately Use the Sources	2.71
Student demonstrates understanding of the ethical and legal restrictions on the use of information	2.714
Evaluates the Accuracy of the Information Found	2.55
Student uses multiple sources to validate information accuracy	2.523
Student uses sources based on facts	2.577
Locate the Appropriate Resources to Find Information	2.69
Student utilizes library resources to locate information	2.526
Student utilizes web effectively to locate information	2.819
