Organize Ideas for Effective Communication 2.76

Student uses logical structure 2.724

Student's thesis idea is supported 2.786

Use Visual Elements in Effective Communications 2.49

Student's visual information is clear and connects with audience 2.75

Student's visual information is relevant 2.466

Critical Reasoning 2.450

Analyze Problems 2.42

Find solutions to problems using quantitative skills 2.470

Infer conclusions using data and evidence from a variety of sources 2.441

Use deductive reasoning to find logical solutions 2.347

Conceptualize Ideas 2.46

Develop a knowledge base through observation or study	2.449
Formulate a question that guides their research or problem solving	2.468
Evaluate Results	2.83
Continuous improvement	2.875
Critically examine results	2.815
Test Solutions	2.55
Perform experiments to test a hypothesis	2.513
Test a solution	3
Diversity, Equity, and Inclusion	2.394
Apply Core Values in Decision Making	2.86
Student demonstrates reflection	2.857
Student interacts respectfully and appropriately	2.857
Articulate the Value of Diversity and Inclusion in Society	2.39
Student describes various elements inherent	2.392
Evaluate the Interdependencies and Conflicts of Diverse Com	2.25
Student describes how historical cultural conflicts	2.245
Recognize the Diversity and Unity of Humanity	2.49
Student describes common elements shared by all cultures	2.419
Student describes the differences	2.583
Essential Skills	2.647
Accountability	2.56
Student maintains composure, even in difficult situations	2.545
Student takes initiative and follows through with application of learned content and skills	2.443

Student takes responsibility for their academic progress and completes all projects on time	2.725
Integrity	2.97
Student consistently abides by JWCC code of conduct	2.971
Student demonstrates behaviors consistent with ethical reasoning and understanding	
Teamwork	2.88
Student frequently asks questions and seeks clarifications	2.882
Information Literacy	2.703
Ethically and Accurately Use the Sources	2.71
Student demonstrates understanding of the ethical and legal restrictions on the use of information	2.714
Evaluates the Accuracy of the Information Found	2.77
Student uses multiple sources to validate information accuracy	2.815
Student uses sources based on facts	2.684
Locate the Appropriate Resources to Find Information	2.69
Student utilizes library resources to locate information	2.526
Student utilizes web effectively to locate information	2.821
