Present were Mr. Don Hess, and Dr. Randy Greenwell, trustees, Mr. Josh Welker, Dean of Business Services & Institutional Effectiveness, Dr. Bryan Renfro; president, and Jenny Venvertloh; note taker.

The committee reviewed the following:

Dr Greenwell reported the College is seeing a great return on our investments.

8.5 **Student Trustee Report – Ms. Lauren Archer** – SGA hosted all homecoming activities last month. There was great attendance by our student government members. Mr. John Wood was a success.

Students participated in a color event which depicts your personality traits and leadership style.

Selection of new SGA officers is done at the end of March. At the April meeting Ms. Archer's term is completed and a new representative is selected to participate.

8.6 **Administration Report – Dr. Renfro** – Dr. Renfro shared enrollment numbers for Spring. The College is trending with an increase. Second 8-week classes beginning Monday, March 20 showed students returning after the pandemic.

Mr. Bill LaTour announced his retirement. Both Josh Welker and Dr. Renfro will assume his duties at the Workforce Development Center until a replacement can be named.

The College hosted a seminar on "the Future of Workforce & Automation. Sponsors were Knapheide, Illinois Manufacturers Association, IMEC and Workforce Innovation Board of Western Illinois.

Kyle Moore, GREDF president, and Dr. Bryan Renfro are working together to have a better influence and be more involved with the manufacturing community. An event in May is being looked at regarding FAME – Federation for Advanced Manufacturing.

Hannibal Innovation continues to be worked on. Dr. Renfro visited with Mr. Brian Durham, ICCB Executive Director on the requirements need to offer classes. A letter and form need to be submitted by May 15. Susan Johnson assisted in identifying classes in the evening.

Office of the President

Dr. Renfro shared the students bestowed on him the title of honorary “Mr. John Wood” at their event. Ms. Archer stated the intention was to surprise him, which they accomplished. A crown validating this honor is now displayed in his office. Next interaction with the students is ping-pong with the “prez”.

Dr. Renfro asked Mr. Welker to share information the College received from our current audit firm.

Our current audit firm notified Mr. Welker a proposal of an increase of our audit fee. The Board approved a 3-year contract of which we are one-year in. The increase calculated at a 56%. The timing of this proposal puts JWCC in an awkward situation due to the deadlines of the state requirements. The firm did reconsider the increase but would ask up to \$4,000 travel reimbursement even though the current contract included travel reimbursement. Currently JWCC is negotiating travel costs.

The 2023-2024 John Wood Community College Catalog and Student Handbook serves as the primary informational document for prospective students and others who are interested in obtaining information about programs, services, and activities offered by the College. Because some court cases have ruled that a college catalog is a legally binding document, it is recommended that the Board adopt the John Wood Community College Catalog and Student Handbook for 2023-2024.
