

FINAL EXAMINATION WEEK SCHEDULE FALL SEMESTER 2023

Final exam periods for semester classes have been scheduled during the week of December 12 through December 15, 2023, following the conclusion of classroom work for the semester on Monday, December 11th.

All instructors are expected to administer some kind of meaningful activity during finals week for each of their face to face or online classes: either a comprehensive final, the last unit test, a special exercise, or something similar. Exceptions to this practice can be made for unusual situations, but only with prior approval from the vice president for instruction or in cases of emergency. If giving an online final for a f2f course, the deadline cannot be any earlier than the times listed below.
