PathwayU

Find Your Purpose. Plan Your Path.

Let us help you #findyourpath

What is PathwayU?

PathwayU is a FREE online predictive career guidance tool offered by JWCC to help you discover your specific options. It matches you with career paths and academic programs that correlate with your interests, values, personality, and workplace preferences.

How PathwayU Helps You:

- Explore career matches that align with your strengths.
- Receive personalized career and education recommendations.
- Learn about specific job outlooks and salary information.
- Make informed decisions about your future.

How to Get Started

› **Visit** jwcc.edu/career-services

› **Click** on PathwayU

› **Create** your free account using your personal email

› **Complete** the four quick assessments

› **Review** your results and explore your options
